

**TOGETHER DURING TRIAL**—Marine Sgt. Matthew C. McKeon poses with his wife, brothers and sister during a recess in McKeon's court martial in the deaths of six Marine recruits on a disciplinary march led by McKeon. Left to right: brothers Edward and James, both of Worcester, Mass.; Mrs. Betty McKeon and the Sergeant; sister, Mrs. Ann Costello of City Island, N. Y.; and brother Francis McKeon of Worcester.

## About Town

And Country

By TIMOTHEUS T.

**ECONOMIC DISCUSSION:** We till are wonderfully blessed with a fine trade center in this, the southeastern part of Illinois, and things could be a lot worse. In fact, they probably will get down close to rock bottom before we all let our hair down and start digging out things that we need.

Coal miners are working pretty good but coal production is not what it should be—not by a long ways. That is, we're a far piece from that choice spot up around peak production and although you might not know it, production in southern Illinois is not up although in some parts of the country, the coal mining business is booming. In spite of a not-too-good market for southern Illinois coal, I hear reports that Sahara will try to open its No. 7 mine.

Big reason, I understand, for our having to lag behind in the production of coal is the problem of transportation. Actually, canalization of the Saline river and its Middle Fork tributary, so that coal can be barged from source to the Ohio, is badly needed so that the local operators can compete in price with other areas.

Right now, I also understand, this area can get about six million dollars worth of widening and deepening of the Saline and Middle Fork simply by contributing about \$600,000, which is a good deal any way you look at it. But will anything be done?

And here's something else: I have it on good authority and would not print it if I didn't, that the political officials down in Kentucky have done a better job getting things done for the Kentucky coal industry than the national figure in our state.

For example, I've been told, half of Sahara's business with the Joppa steam power plant, which of course is in Illinois, has been lost to Kentucky coal mines because of the good work done by the Kentucky politicians. Things like that hurt.

That's about all there is to say on the subject. It's not a long dissertation but it's got a couple of pretty important points in it.

## MINES

Sahara everything idle. Peabody works. Blue Bird No. 8 works. Carmac works. Will Scarlett works.

## McKeon Guilty on Two Counts, Found Innocent on Three Others

**Awaits Decision On Sentence by 7-Officer Court**

**PARRIS ISLAND, S. C.** — S-Sgt. Matthew C. McKeon awaited today the decision of a seven-officer court of battle-tested veterans as to whether he is a good enough Marine to be kept in the Corps.

The court found him guilty Friday night of two of the five counts against him and innocent of the other three for the drowning of six recruits during the April 8th "death march." It convenes today to hear arguments of the defense counsel that sentence should be light.

Then it goes back into closed session and returns with a single sentence. As to that sentence, chief defense counsel Emile Zola Berman said:

"I'm not appealing anything if this boy is kept in the corps. He's a good Marine."

**Stiff Sentence Possible**  
McKeon could get a maximum sentence of three years in prison

## Death Takes Mrs. James Denny, 82; Funeral Monday

Mrs. Lelia Denny, 82, wife of James Denny, 504 West South, died at 10:20 p. m. Friday at the Eldorado nursing home. She had been in ill health for a number of years. She was the daughter of the late Richard and Sarah Bowles and was born in Hopkins County, Ky.

Mrs. Denny was preceded in death by her first husband, Bert-ram Peak. In 1935 she was married to Mr. Denny.

Her church membership was with the First Methodist. Services will be held at 2 p. m. Monday at the Gaskins funeral home. Burial will be in Sunset Hill cemetery.

Besides her husband, Mrs. Denny leaves one brother, Arch Bowles of Hattiesburg, Miss., and a nephew whom she reared, Gary Bowles, who is stationed in Germany.

Two brothers and two sisters preceded her in death.

## Timing of Motherhood

**DENVER** — Mrs. Orchid Fickle is just going to have to do something about her timing. The 22-year-old housewife returned home from her hospital check-up Friday and several hours later gave birth to a seven-pound, four-and-a-half-ounce boy. Her other two children were born in the family car enroute to the hospital.

# Five Persons Hurt During Auto Races, Closing Event of Fair

## Carnival Employee Returns Watch Lost on Ride

Mrs. Charles Girt of this city today had lots of words of praise for a Heth carnival employee at the Saline county fair.

Mrs. Girt said that she took a ride on the Caterpillar at the carnival yesterday afternoon and about 30 minutes later, while she still was at the fairgrounds, she missed her Hamilton wristwatch, a present from her husband last Christmas.

"I was visibly disturbed as I started trying to find it," Mrs. Girt said, "and I guess the Caterpillar employee could tell as I walked up to him, because before I could say anything at all he held up the watch and said, 'Here it is.'"

"He told me he found it in the seat in which I had been riding. When I thanked him for finding it and giving it to me, he replied that it was only his duty."

at hard labor, reduction in rank to private, dishonorable discharge after the confinement and forfeiture of all pay and allowances.

He was convicted of drinking in violation of regulations. Two of the sergeants who drank vodka with him that tragic day have been convicted and sentenced to a rank reduction of one stripe.

In the other guilty finding, the court reduced the charge of manslaughter to negligent homicide. This meant that the court thought he caused the deaths by simple negligence, without exercise of due care, rather than by culpable negligence.

But nobody around this famed Marine recruit training depot thought he would get anything like the maximum. Indeed, there will be long faces among the non-commissioned officers if he does not get off extremely lightly.

## OIL REPORT:

## New Hot Spot In Brushy Township Test

**Taken from the Robertson Tri-State Oil Report**

There's a hot spot in Saline county, an operation just northeast of Harco in Brushy township, where an oil well could be brought in from the Hardinsburg formation, judging from the drill stem test.

This test is ten miles from other Hardinsburg wells. It is Calvert Drilling company's and E. E. Rehn's Calvin Brown Heirs No. 1, SW NW SW, 22-8S-5E. After a two hour drill stem test at 2322-52 of the Hardinsburg, 50 feet of gas, 190 of clean oil and 70 of mud mixed oil were recovered with a bottom hole pressure of 860 pounds.

Four completions were reported, three by C. E. Brehm in Tate and Sun Oil's Smith-Federal Land Bank No. 4, SW SE NW, 25-8S-5E (Brushy township), where an oil well was made in the Cypress at 2544-53 with initial production 25 barrels per day on pump.

Brehm's Verl Springs No. 3, NE SE SE, 19-7S-5E, was shut down to await cable tools to test the Aux Vases and the report will be picked up when work resumes. His Verl Springs No. 4, SE SE SE, 19-7S-5E, has completed drilling but no information has been offered. His Williams Bros. No. 2, NE SW NE, 30-7S-5E, made an oil well in the Aux Vases sand with initial production 140 barrels per day on pump.

Because chairs are not available for use on the outside the program will be held in the Chapel. Musical numbers will be given by the Vinyard Chapel quartet and the Ray Drumm family. Topics for discussions are Bixby Cave, Walrab Mill, Decker Spring, Illinois and Martha Furnace, The Pounds, Cave - in - Rock, early churches, schools, families, etc. Ed Vinyard, Lucian Vinyard, John Grace, Hillis Patton, Asa Decker, Fred Gintert, and James J. A. and W. C. Love are expected to take part in the discussion. Many of these men are members of the early families that settled in the community and know the history either first hand or through tradition handed down through their families.

## Dulles Predicts Suez Crisis Will Be Settled

**Believes Moral, Not Military Forces Will Prevail**

**WASHINGTON** — Secretary of State John Foster Dulles told the nation Friday night that Egypt's "vengeful" seizure of the Suez Canal can not go unchallenged.

But Dulles predicted moral rather than military force would bring Egypt to accept an international settlement.

The secretary addressed a nationwide television-radio hookup from the White House with President Eisenhower sitting by his side. The secretary arrived only a few hours earlier from the Big Three power talks in London.

He predicted that the proposed 24-nation conference Aug. 16 will succeed in settling the Suez crisis in a manner acceptable to Egypt on one hand and Britain and France on the other.

Posing the crucial question — what happens if the conference fails?—Dulles said:

"We do not assume that the conference will not fail, but will succeed."

"I believe that by the conference method we shall invoke moral forces which are bound to prevail."

He declared the United States had made "no commitments of any kind" as to future action should the conference fail. Both France and Britain have threatened to resort to force to keep the canal open to their shipping.

Egypt already has rejected the Big Three London declaration condemning seizure of the canal. But the Egyptian government today called in the U. S. and Soviet ambassadors at Cairo presumably to discuss the invitation to the proposed conference.

**President Praises Dulles**

Mr. Eisenhower, facing "live" television cameras for the first time since his intestinal operation June 9, introduced Dulles. After Dulles finished speaking, Mr. Eisenhower warmly praised him for carrying out his role in the Suez crisis "in accordance with the principles which have always activated you."

## Two Men Burn to Death in Truck

**WOLF LAKE, Ill.** — Two men burned to death in their overturned truck near here Friday night.

State police identified the victims as 35-year-old Frank Williams Jr. and James Crawford Randall, 49, both of Wolf Lake.

The pickup truck in which the men were riding was struck from the rear by an auto driven by Grady Niles Adams, 24, Arlington, Ky. Officers said he is being held in Union County jail at Anna, without charge.

## Eisenhower Signs \$2.1 Billion Military Construction Measure

**WASHINGTON** — President Eisenhower has signed the \$2.1 billion military construction bill including projects to speed development of long-range ballistic missiles and an atomic-powered airplane.

The "second chance" bill replaces a measure previously vetoed by Mr. Eisenhower on grounds that Congress exceeded its constitutional limits in requiring congressional clearance for some missile and housing programs.

In Mr. Eisenhower's action Friday, he took no note of the fact that the new bill imposed some strings on the huge program. The measure provides that no military housing project can be started until 180 days after the House and Senate armed services committees give the Defense Department a go-ahead sooner.

The President also signed bills that would:

—Provide for the burial of an unknown soldier of the Korean War alongside his comrades of World Wars I and II in Arlington National Cemetery.

—Increase from \$1.5 billion to \$3 billion the amount available for trading surplus U. S. farm products for foreign currencies. The money will go to the Commodity Credit Corp. to pay for the surplus crops.

—Extend U. S. participation in the international wheat agreement provides for sale of 132 million bushels of U. S. wheat to foreign users this year for from \$1.50 to \$2 a bushel.

—Extend for two years a \$378 million program of federal aid for school construction and operation until July 31, 1959. The 1956 agreement provides for sale of 132 million bushels of U. S. wheat to foreign users this year for from \$1.50 to \$2 a bushel.

## 4 Spectators, Driver Injured In Two Crashes

**One of Largest Crowds Attends Thrill-Packed Show**

The 50th annual Saline County Agricultural fair ended last night with one of the largest—if not the largest—crowds ever to attend seeing a thrill-packed big car racing program in which five persons were sent to the Harrisburg hospital as a result of crashes.

Four spectators were injured when a racing car crashed through a guard rail into the crowd at the east end of the half mile track. In a race that followed a driver was injured and hospitalized.

Patients at Harrisburg hospital this morning were Edward Hopkins, a spectator, and Harry "Red" Johannes, a driver. The attending physician said he did not believe Hopkins was seriously injured but that Johannes suffered a concussion, cuts on the head and other lacerations. They were taken to the hospital by ambulance.

## Treated at Hospital

Spectators treated at the Harrisburg hospital were Carl Winkelman of Harrisburg, who suffered multiple contusions and abrasions; and two from Carrier Mills, Mrs. Archie Finch, who sustained a broken arm, and Gary Taborn, Carrier Mills grade school basketball star who suffered an ankle injury.

The spectators were injured just as a racing event near the middle of the program was ending, with cars making a strong finish. The name of the driver, who was not hurt, was not learned.

In the next of the races, sanctioned by the Mississippi Valley Championship Circuit of Racing, Johannes and another driver went through a guard rail on a curve at the west end of the track. This race was stopped until Johannes was taken away by ambulance.

The wrecked car in this race was one in which a man was killed in 1952 and was involved in a spectacular seven-car pileup in another race.

## Satisfactory Attendance

The 50th annual fair ran from Sunday through last night and George Barnes, president of the fair association, today said he was well-satisfied with this year's fair and attendance. There were three good attendance nights, he pointed out, (a) the Lono and Oscar Grand Ole Opry program Monday night, (b) the Saline County Beauty Contest and Automobile Show Thursday night, and (c) last night's big car racing program.

Barnes said that last night's show may have had the largest attendance of any held here and if not, the only one to surpass it in size was the last time big car racing was held here five or six years ago. That year fences were cut and hundreds of persons hied into the fairgrounds without paying.

The Thursday night beauty show fell only 150 below last evening's racing in paid grandstand attendance, he said.

## Auto Breaks Fire Plug

An automobile broke off the fire plug at the Roberts Standard station at Main and Walnut streets this morning, sending water into the street.

Driver of the car was a motorist from Toronto, Canada, Chief of Police Ross Lane said. Lane said the mishap apparently occurred as the man was turning into the station and did not notice the plug.

Harrisburg water department workers went to the scene immediately and began the task of getting through the concrete to repair the damage.

**SALINE COUNTY FAIR SCENES**—Although the big program Thursday evening at the Saline County Fair was the annual Beauty Pageant to select Miss Saline County of 1956, there were other activities to give fair patrons a full and varied program. Preceding the Beauty Pageant were awarded the grand champion cattle and at intermission of the Beauty Pageant an Antique Auto

Show was staged. Left to right—Miss Judy Lanham of Eldorado presents trophy to Fred Bigler of Carbondale, exhibitor of the Grand Champion cow in the Dairy Cattle division. The trophy was donated by Dairy Brand, which sponsored Miss Lanham in the Beauty Pageant; the Grand Champion in the Beef Cattle division was exhibited by the Meier Angus Farm, Jackson, Mo. The Angus

was led to the show ring by Carolyn O'Verbeck, a niece of Mr. Meier, and the trophy, donated by Sugar Creek Produce, was presented by Miss Patricia Bramlet. Robert Muge of Sugar Creek is with Miss Patricia; accompanying the Antique Auto Show was a calliope, played by Eddie Miller, former Harrisburg man now living in Evansville. Eddie gave out with some lively tunes, greatly appreciated

by the large crowd present. Two of the more than twenty old time automobiles that appeared in the parade of antique cars are also shown. The old timers were a source of amazement to the youngsters and for the older folks they brought back many fond memories of the "good old days."

## Farmland Values Show Stability

Farm real estate values in Illi-  
nois seem to have stabilized, ac-  
cording to Professor C. L. Stewart,  
College of Agriculture, University  
of Illinois. Citing a recent report  
by the United States Department  
of Agriculture, Stewart pointed  
out that average land prices in  
Illinois did not change from last  
November to March.

Prices in other midwest states  
were also quite stable during this  
period. There was no change in  
prices in Indiana, Wisconsin and  
Michigan. Land prices declined  
one percent in Minnesota and Io-  
wa and two percent in Missouri  
but crept up two percent in Ohio.

For the United States as a whole,  
farm real estate values increased  
one percent from November to  
March.

Since 1950, farmland values have  
increased 38 percent in Illinois,  
50 percent in Indiana, 51 percent  
in Ohio, 27 percent in Missouri,  
and 25 percent in Iowa.

Compared with 1920, the high  
year after World War 1, recent  
prices for farmland were up 61  
percent in Indiana, 58 percent in  
Ohio, and 40 percent in Illinois,  
but they were six percent less in  
Missouri and seven percent less in  
Iowa.

Professor Stewart listed several  
factors that have lifted and sustained  
prices of farmland in spite of the  
decline in farm income:

1. Many people see in farmland a safe, long-term investment.
2. Larger farms have become necessary to make profitable use of modern machinery and farmer's own labor.
3. In many areas there is a strong demand for farmland for residential, industrial and commercial developments and for high-ways and other nonfarm uses.
4. Returns from farmland sold at good prices for nonfarm uses often supply money for the purchase of other farmland, even in a tight land market.
5. There is a strong demand for part-time and residential farms in many areas.
6. Many persons wish to leave an estate consisting of farmland rather than other property that is less well adapted to serving members of a family in succession.
7. Relatively small amounts of farmland have been offered for sale in recent years.

Both federal and state university economists put heavy emphasis on the need to increase farm size. It seems necessary to some operators who want to reduce unit costs without making an additional investment in machinery and equipment. In some cases, Stewart said, tenants encourage their landlords to acquire neighboring acreage for them to farm. The United States Department of Agriculture reports that the desire of farmers to get larger base acreages and marketing quotas for price-supported crops also helps to maintain a strong demand for farmland.

## Winter Barley Yields Well

URBANA—If you live south of U. S. Highway 40, you should take a closer look at winter barley as an extra feed crop on the basis of results being reported from this summer's harvest.

J. W. Pendleton, extension crops specialist at the University of Illinois College of Agriculture, reports that yields of 60 to 70 bushels an acre are common this year.

Two new varieties are responsible for most of those yields. They are Hudson and Kembar, which have become available only recently and are supplanting older varieties that did not do so well.

Pendleton explains that, of the small grains, winter barley is next to corn in feeding value. You can grow winter barley and store it for insurance in case your corn is damaged by drought. Barley grows when moisture is not a problem in southern Illinois.

## List First Place Winners in Livestock Exhibits at Fair

The Saline county fair had un-  
usually good entries in the live-  
stock classes, with exhibitors com-  
ing from throughout southern Illi-  
nois and Missouri.

The departments were (1) Beef  
and dual purpose cattle; (2) dairy  
cattle; (3) Heavy horses; (4)  
Sheep; (5) Swine.

#### DAIRY CATTLE

Fred A. Bigler of Carbondale had  
the champion cow, a Jersey, and  
Mr. Bigler scored heavily in this  
class of the Dairy cattle depart-  
ment. Mr. Bigler, from Carbondale,  
received ten first places out  
of 17 in the Jersey classes, Frank  
Bigham of Pinckneyville getting  
three first places and Gilbert Big-  
ham of Pinckneyville and John

Bigler of Carbondale two each.

## Use Care in Feeding Salt to Hogs

URBANA — Animals need salt  
for good health, but too much of  
it can kill them, says Dr. R. M.  
Thomas of the University of Illi-  
nois College of Veterinary Medi-  
cine.

More than one percent of salt in  
a feed ration may produce salt  
poisoning symptoms — madness,  
"running fits," and paralysis ter-  
minating in death. This problem is  
found almost exclusively in hogs,  
especially young ones weighing 60  
to 70 pounds.

Dr. Thomas warns you not to  
jump to the conclusion that sick-  
ness in hogs during hot weather is  
due to heat prostration and that  
they need more salt. In one case  
a farmer made that mistake when  
he increased the salt ration for his  
pigs. About 50 of them died.

If you mix your own feeds, be  
careful about the percentage of  
salt, and mix the feed thoroughly.  
Sometimes salt will concentrate in  
the bottom of a bin, and feed from  
that part of the bin will become  
dangerous to animals.

If symptoms of salt poisoning  
appear in your hogs, increase  
their water supply and cut off the  
mixed feed. Commercial pelleted  
feeds may be substituted until the  
animals recover.

## 70.7 Million Acres In Soil Bank

WASHINGTON (AP) — The Agri-  
culture Department reported to-  
day that almost 500,000 farmers  
deposited 10,720,749 acres of crop  
land in the soil bank acreage  
reserve for 1956.

July 27 was the deadline for  
signing up for 1956 participation.  
The farmers who signed 495,432  
agreements to deposit land in the  
soil bank can earn almost 225  
million dollars in government pay-  
ments for not producing crops this  
year.

The department said these totals  
are "substantially final." But  
minor adjustment may be re-  
quired.

## Seed Wheat

By L. B. Kimmel

High wheat yields in 1956 were  
made on several varieties of wheat.  
Knox, Vigo, Saline, Seneca, and  
Thorne. A new wheat is coming  
into the picture called "Dual" be-  
cause of dual purpose—pasture  
and grain. It can be planted  
much earlier and is resistant to  
Hessian Fly—they just don't seem  
to bother it as they do other wheat.

From unconfirmed reports it  
was the highest yielding wheat at  
Brownstown, according to Pat  
Johnston. Yield was near 70  
bushels—that's the "story by the  
grapevine." Results won't be out  
until the county meeting here in  
February. Then it will be too late  
for seeding until the following  
year.

Knox had a lot of smut and loose  
black heads this year. The germ  
is inside the seed and no outside  
treatment can control loose smut.  
The hot water treatment is the  
only control and most farmers  
can't do this and not destroy ger-  
mination.

Scab, another disease, is carried  
on corn stalks and other vege-  
tation so there is little effect in  
treating seed.

Rust is carried in by southwest  
winds from Arkansas and Texas.  
So an early maturing wheat ma-  
tures ahead of its arrival is the  
answer here. Knox and Dual are  
the two earliest.

C. J. Wagner produced nearly  
4,000 bushels of Dual wheat this  
year and will be distributed over  
the southern half of Illinois. This  
will be cleaned, bagged and cer-  
tified. He also has about 2,000  
bushels of Knox.

If you saved your own seed you  
may be different from others who  
sell all their wheat and look for  
seed just before planting. Some  
plant it as it comes from the com-  
bine—trash, weed seed, cracked  
grain, which takes up space, and  
won't germinate as well as other  
foreign material which reduces the  
number of plants in the field.

Cleaned, bagged, tested seed is  
worth twice the price of dirty,  
unknown quality seed.

Suggest you start thinking about  
good wheat seed—not the day or  
two before you are ready to plant.  
It's much easier to find now. Good  
seed may determine your profit  
or loss on next year's wheat crop.

Plow small-grain fields soon after  
harvest if you plan to fall-seed  
grasses and legumes, says a Uni-  
versity of Illinois crops specialist.

## Widows of Insured Workers Eligible For Benefits at 62

Under the recently amended So-  
cial Security law, the widows of  
insured workers can start getting  
monthly benefits at age 62, accord-  
ing to a statement by E. Bishop  
Hill, district manager of the So-  
cial Security Administration at  
Harrisburg. Payments for widows  
who are already 62 can begin with  
the November benefit checks which  
are due early in December. Appli-  
cation must be made for these ben-  
efits. However, there will be no  
loss of benefits to widows first  
eligible in November 1956 who file  
formal applications before Decem-  
ber 1957, Mr. Hill added.

Working women and wives of re-  
tired workers may apply for pay-  
ments at age 62 but will receive  
benefits at reduced rates on a slid-  
ing scale. Benefits for working  
women and wives will not be re-  
duced in those cases where the  
applicants prefer to wait until age  
65 to make application for ben-  
efits.

Mr. Hill stated that one of the  
most significant changes made by  
the amendments was the provision  
for payment of disability benefits  
beginning at age 50 to workers who  
are totally disabled for substantial  
gainful work of any kind. Under  
the new law they can get monthly  
disability payments beginning with  
July 1957. No applications for dis-  
ability payments can be accepted  
by Social Security offices before  
October 1, 1956.

## Hand Written Punishment

MIAMI, Fla. (AP) — Judge  
Charles H. Snowden found Mrs.  
Minerva Stein, 50, guilty of squirt-  
ing her neighbor with a garden  
hose after a squabble and said  
her punishment would be as  
"childish as her act." He ordered  
Mrs. Stein home to write 1,000  
times, "I will not squirt my neigh-  
bor with a garden hose," and to  
return in a week so he could  
"grade" her homework.

### Announce Marriage of Miss Alma LaVerne Proctor and James Albert Moake

(Foster Studio Photo)  
Mr. and Mrs. James Albert Moake

Announcement is being made of  
the marriage of Miss Alma LaVerne  
Proctor, niece of Mr. and Mrs.  
Amos Dunn, 1125 South Hobson,  
and James Albert Moake, son of  
Mr. and Mrs. Claude Moake of  
RFD 1, Carrier Mills.

The double ring ceremony was  
performed Friday, July 20, at eight  
o'clock in the evening at the home  
of Mr. and Mrs. Dunn. The Rev.  
William Fuson, pastor of the Dor-  
risville Baptist church, officiated.  
For her wedding the bride chose  
a sheer dress of pale pink with  
white embroidered leaves. The  
dress was designed on the princess  
line with a scoop neckline and a  
full skirt. She wore pink and white  
accessories and a pink headband  
with a nose veil. She wore a cor-  
sage of white baby chrysanthem-  
ums against a background of pale  
pink lace.

Miss Betty Proctor, sister of the  
bride, was maid of honor, wearing  
a dress of pink silk fashioned in  
princess style with a low neckline  
and full skirt. Her flowers were pink  
carnations intermingled with white  
lace.

Bill Hawkins of Carrier Mills,  
served as best man.

Mrs. Ida Newman Thompson,  
129 West Raymond, received a  
card Friday from Mrs. Mary  
Musgrave who is on a tour of Eu-  
rope. The card was written in  
Italy and mailed in Plymouth,  
England. Mrs. Musgrave stated  
that she was going from England  
to France and Holland. She also  
wrote that on the boat trip over  
there were calm waters and  
she suffered no sea sickness.

Miss Mary Richardson left Fri-  
day evening to attend the wed-  
ding of Miss Caroline Sturm at  
Elmhurst, Ill., which will be held  
this afternoon. Miss Sturm is the  
daughter of Mr. and Mrs. Ernst  
Sturm and the granddaughter of  
Mrs. W. O. Gaskins of this city.  
Miss Richardson is starting her  
vacation during the next two  
weeks and Mrs. Catherine Se-  
right will help in the bookkeeping  
department of The Daily Register  
during Miss Richardson's ab-  
sence.

Dillon Wallace, 110 West Logan  
street, who was hospitalized for  
three weeks at the Veterans hos-  
pital, Marion, is improving and is  
again at his home in this city. He  
has bronchial pneumonia.

Mrs. O. Arensman and grand-  
son, Robert Arensman, have re-  
turned from a vacation trip to  
Kentucky Lake.

The Daily Register 25c a week  
by carrier boy.

### Pankeyville Baptist WMU Elects Officers

The W. M. U. of the Pankeyville  
Baptist church met Thursday night  
at the home of Mrs. Hattie Moyer.  
The meeting was opened by the  
president, Mrs. Ruth Gates. "We're  
a Story to Tell to the Nation" was  
sung and prayer was offered by  
Mrs. Blanch Lauderdale.

Mrs. Nancy Sadler acted as pro-  
gram chairman in the absence of  
Mrs. Alta Norman. The lesson,  
"Ye Christian Herald: Go Preach-  
claim," was given by Mrs. Gates.  
Mrs. Moyer, Mrs. Lauderdale and  
Mrs. Sadler.

Officers for the coming year  
were elected as follows: President,  
Mrs. Blanch Shacklett; first vice,  
Mrs. Ruth Gates; second vice, Mrs.  
Alta Norman; secretary-treasurer,  
Mrs. Blanch Lauderdale; young  
people's director, Mrs. Hattie Moyer;  
community mission, Mrs. Fern  
Waddell; stewardship and mission  
study, Mrs. Gertrude Hayes; prayer  
chairman, Mrs. Ruth Gates; G. A.  
counselor, Mrs. Nancy Sadler; Sun-  
beam leaders, Dorothy Waddell and  
Carolyn Hayes.

Refreshments of homemade ice  
cream and cake were served by the  
hostess.

Closing prayer was by Mrs. Moyer.

Mrs. R. E. Farmer and daughter,  
Sada, Terre Haute, Ind., sister and  
niece of Mrs. E. B. Webster, ar-  
rived today to visit Mrs. Webster,  
who is in Lightner hospital due to  
a fracture of her hip which occurred  
about ten days ago while she  
was visiting in Terre Haute.

Mr. and Mrs. A. S. Kennell and  
son, J. D., who have been visiting  
in Harrisburg, Marion and Equal-  
ity, left Saturday morning to re-  
turn to their home in Oakland,  
Calif. They will go via the Grand  
Canyon. Friday evening Mr. and  
children, Stephen, Nancy and Car-  
olyn, of Marion, were at the home  
of his father in this city for a  
family dinner party before the depar-  
ture of the Kennells.

Frank Patterson of this city re-  
turned yesterday from Jewish hos-  
pital in St. Louis, which he entered  
July 22 for a hernia operation.

### Two Herrin Teen-Agers Take Car and Are Caught in 10 Minutes

HERRIN, Ill. (AP)—Two teen-aged  
Herrin motorists learned fast  
Thursday night that crime doesn't  
pay.

They took a car from a used  
car lot for an evening spin. Ten  
minutes later the boys were ar-  
rested by police as they were turn-  
ing around at a night club.

Chief Roy Cole said the case  
will be referred to juvenile au-  
thorities.

*Don't cry, little man, don't cry...*

This unhappy little fellow is learning an important lesson — tears do not solve problems.

Life brings many difficulties to the average person, often heavy burdens of responsibility, grief, and pain that must be met without compromise.

But there is a wise solution for all of us if we fortify ourselves with qualities that will give courage, faith, and hope in the face of all trouble.

In hours of stress and anxiety, the Christian religion is a rock of refuge. In the Church you will find spiritual strength, guidance, and enduring comfort. Go to God's House and put your trust in Him.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

### "A Call To Christian Living"

I Peter 1:39; 5:6-11  
GOLDEN TEXT: "Wherefore gird up the loins of your mind, be sober, and hope to the end for the grace that is to be brought unto you at the revelation of Jesus Christ." (I Peter 1:13)

INTRODUCTION — What is Christian living? We are living in a day when morals are at a low ebb. The same was true in the day in which Peter lived. He was writing his epistles to Christian people who were living in a world full of lust. The non-Christian people of that day indulged in evil and thought nothing of it.

Is it much different today? Drinking alcoholic beverages becomes more widespread with every passing year. Heavy petting has become the accepted thing in all but the strictest Christian circles. Adultery and fornication and infidelity eat at the very foundations of our homes. God has been defied.

Therefore, this is a timely lesson. What is Christian living?

### I CHRISTIANS DO GOD'S WILL (4:1-2)

When a person becomes a Christian something happens to change his whole life. The things he "once hated he now loves, and the things he once loved he now hates." He becomes "a new creature in Christ Jesus." He thinks different. He acts different. If he does not, you may be sure that he did not become a Christian.

Do not be fooled by a person saying that they are a Christian. "A tree is known by its fruit." Not everyone who says they are Christians are really Christians. A real Christian is known by the way he lives. He follows God's will daily.

### II CHRISTIANS STAND FOR RIGHT (4:3-6)

People who are not Christians resent the strong stand Christians take against immorality. Let a Christian express himself against drinking, dancing, lust, or, any other evil; and immediately worldly people take offense. Some of those who formerly gave the

Christian a pat on the back, now give him a kick where it hurts the most. They can't take it.

Nevertheless, the Christian will stand for that which is right. No Christian need ever be afraid to refuse to drink any alcoholic beverage, no matter how smoothly the drinks are offered. By refusing, he will be the victor in the end.

### III CHRISTIANS ARE CHARITABLE AND HOSPITABLE (4:7-9)

Christians know that the end of all things is not far away. The man who sells liquor will soon be standing before the great Judge (V. 5) and giving an account of his life. It will be a terrible day for the saloon-keeper, the bar-tender, and all who deal in liquor traffic. I would rather live and die a pauper than be in their shoes on Judgment Day!

Christians are "sober and watchful." He prays for the unsaved and tries to win them. Every time an unsaved person is won to Christ "a multitude of sins are covered."

### IV CHRISTIANS ARE STEWARDS (4:10-11)

All that we are and have comes from God. We are but stewards over that with which He entrusts us. Christians live for only one purpose — to magnify Christ.

When the word stewardship is used, some folks immediately think of money. Money is only a small part of stewardship. The Christian's stewardship involves his whole life. All that he is and has is dedicated to God.

CONCLUSION — Consider these things: "Three out of four college students are drinkers. 250,000 habitual drinkers are recruited each year. One out of every nine social drinkers becomes a habitual drunkard. Twenty-million people who do not drink are involved in the tragic difficulties of those who do drink. Of the 432,736 alcoholic beverage licenses, 100,000 are located in food stores. The United States has a licensed center for distributing alcoholic beverages for every 350 people. Thirty-five million dollars a year is spent to fight cancer and tuberculosis, while 250 million dollars is spent for advertising liquor to make more alcoholics."

"One million dollars has recently been recommended by the

Senate as (Representative allowance) "whiskey allowance" for entertainment. Five thousand dollars might be used for flowers and local custom tokens. The new figure is more than double the 475,000 allowance of 1954. Tax payers should be interested."

Christian people, this is a day in which you should stand for that which is right. Let's live like Christians should live!

## Simmons Wins 5th Straight As Phillies Beat Reds; Cards Edge Brooklyn, 11-8

By United Press  
Curt Simmons sports a five-game winning streak today as proof he's won his two-year battle to star again for the Philadelphia Phillies.

The 27-year old southpaw turned in his fifth straight win and eighth of the year Friday night in pitching the Phillies to a 6-3 victory over the Cincinnati Redlegs. All three runs off Simmons were unearned as he bested 15-game winner Brooks Lawrence.

It was a bad night all around for the National League contenders as the first-place Milwaukee Braves bowed to the Pittsburgh Pirates, 4-3, and the third-place Brooklyn Dodgers dropped a 12-inning, 11-8 decision to the St. Louis Cardinals. As a result, the Braves retained their one-game margin over the Redlegs and their two-game lead over the Dodgers.

### Six Victory String

The Phillies, who've won six of their last seven games, now have beaten the Redlegs six straight times. Simmons has notched three of those victories.

Willie Jones' two-run triple climaxed a four-run rally which routed Lawrence in the third inning and dealt him his third defeat.

The Pirates snapped an eight-game losing streak when Dick Groat singled home two runs with the bases filled in the ninth inning after the Braves took a 3-2 lead in the top of the frame on Del Crandall's two-run, two-out double. Vern Law went all the way for his fourth win while Warren Spahn dropped his ninth decision. It was the fourth straight loss for the Braves—high for the year.

### Cards Edge Dodgers

Veteran catcher Walker Cooper doubled two runs across to snap an 8-8 tie in the 12th and Clem Labine tied-pitched another tally home as the fourth-place Cardinals rolled to their sixth straight triumph. Jackie Collum won his fifth game as the Dodgers collected 19 hits.

Bob Rush pitched a four-hitter for his 10th win to give the Chicago Cubs a 2-0 victory after Foster Castleman hit two homers and Jackie Brandt and Willie Mays one each to lead the New York

Giants to a 7-1 conquest in the other National League games. The Detroit Tigers walloped 15 hits and collected 11 walks to down the New York Yankees, 10-4, and stretch the American League leaders' losing streak to four games. Billy Hoelt won his 13th game.

### Bo Sox Beat Indians

The Boston Red Sox got a fancy four-hitter from Mel Parnell to beat the Cleveland Indians, 7-1. Jackie Jensen, who knocked in nine runs Thursday, knocked in two more with a bases-filled double to high-light a five-run, fifth-inning rally that routed Mike Garcia.

Billy Pierce became the majors' first 17-game winner when the Chicago White Sox scored 11 runs in the first inning and went on to crush the Baltimore Orioles, 13-3. The White Sox' big inning was composed of two doubles, four singles, four walks, an error and Minnie Minoso's ninth homer of the season.

Jim Lemon's double knocked in the decisive run as the Washington Senators beat the Kansas City Athletics, 2-1, in 11 innings. Camilo Pascual pitched a nine-hitter for the Senators to win his fifth game.

## Dove Season Sept. 1 to Oct. 10

WASHINGTON (AP) — The 1956-57 hunting regulations for doves, woodcock, rails and gallinules were announced today by Interior Secretary Fred A. Seaton.

Dates and regulations vary by states. For Illinois there will be no open season for woodcock or gallinules. The dove season will be Sept. 1 through October 10.

The daily bag limit for doves and the possession limit is fixed at eight.

## Raleigh, Pankey's, Pickford's Win In Kiwanis Play

By David Nelson

Raleigh beat the Reds, 11-2; Pankey's upset Sugar Creek, 10-4, and Pickford's defeated Dairy Brand, 13-11, in Kiwanis league play. L. Cochran pitched a four-hitter and struck out 11 as Raleigh beat the Reds, 11-2. J. Woolard and K. Farmer led the winners at the plate with two hits each and G. Woolard, W. Tate, Therdon and Phelps hit safely once to round out their eight-hit attack. Bowman singled twice, C. Wollesen homered and McSparrin singled once for the Reds. Pool was the losing pitcher.

Pankey's had only four base hits, all singles, but used seven errors to win over Sugar Creek, 10-4, and move into first place in the league. Barrett was the winning pitcher, giving up four runs on seven safeties. Karnes pitched a four hitter in a losing cause, striking out seven while walking four. Cushman and Banks led the losers with two safe blows each and Barrett, Wunderlich, Gibbons and Gullett hit safely for the winners.

Pickford's came back with eight runs in the last of the second after Dairy Brand had scored six in the top of that frame to give them the winning margin, 13-11. For the winners at the plate Wasson tripled and doubled, and Maynard had a triple and a single. Hicks, Woolard, Boyett and Roberson all had two hits each for the losers. Maynard was the winning pitcher in relief and Woolard took the loss.

## Two French Boys Killed by War II Shell

MORLAIX, France (AP) — Two young French boys were blown to bits Friday by a World War II shell they found in a field.

## College Stars Hold Scrimmage For Annual Tilt

EVANSTON, Ill. (AP) — The College All Star football team which plays the National League champion Cleveland Browns next week gets its first and only scrimmage today and Head Coach Curly Lambeau hoped the drill would determine his lineup.

"I can't tell too much about them without a scrimmage," he said, "and so we'll work today, rain or shine."

Lambeau said his team was "stronger in some departments, weaker in some and the same in some" as the team which last year beat the Browns, 30-27, when Tad Weed of Ohio State kicked three field goals.

"I won't say what departments," Lambeau said, "but in spirit and determination, we're the equal of last year. We're going to be prepared for anything, because we know that the Browns will have new material to throw at us."

The major problem for the All Stars was at quarterback. Earl Morrall, Michigan State, Jerry Reichow, Iowa, and George Welsh, Navy, were available.

"I'd say with our quarterbacks we're about the same place we were last year at this time," Lambeau said, "but last year Ralph Guglielmi took over in the scrimmage, and we started him in the game and he just blossomed."

## Moore-Patterson Bout Postponed Indefinitely

NEW YORK (AP) — Sugar Ray Robinson was in the driver's seat today and asking big money for next month's proposed outdoor title defense that would substitute for the indefinitely postponed Archie Moore-Floyd Patterson heavyweight championship fight. Co-manager Ernie Braca said, "If the International Boxing Club wants Robinson to defend against Gene Fullmer at Yankee Stadium on Sept. 18, it will have to match the guarantee of \$125,000 Ray has received from Los Angeles for the same fight."

Archie's scheduled fight with young Patterson for the vacant heavyweight crown at Yankee Stadium, Sept. 23, was postponed indefinitely Friday when seven physicians decreed that Patterson's fractured right hand would not be healed properly for a fight on that date.

## Joey Giambra Wins Decision Over Castellani

NEW YORK (AP) — Joey Giambra's yells for a middleweight title fight today were sweet music to matchmaker Billy Brown's ears because of handsome young Joey's decisive victory over ninth-ranking Rocky Castellani Friday night at Madison Square Garden. "Joey's boosted himself right into the center of the middleweight picture," declared Brown of the International Boxing Club. "And he may get a title shot sooner than he expects—if we have trouble dickering with other challengers."

The aggressive, black-haired belter from Buffalo, N. Y., won a unanimous decision over veteran Castellani of Atlantic City in their TV-radio 10-rounder Friday night after chasing the ex-challenger about the ring in every round. Giambra weighed 156½ pounds to Rocky's 158.

## Eldorado Merchants To Play Grayville At Raleigh Sunday

The Eldorado Merchants will play Grayville at the Raleigh baseball diamond Sunday at 2:30 p. m. Probable batteries will be Heathcott to pitch and Tiland to catch for Grayville, and for Eldorado, Dean pitching and Vineyard catching.

## Steel Industry Takes Strides For Recovery

PITTSBURGH (AP) — The nation's basic steel industry took initial strides today toward full recovery from an economy-shaking strike by 650,000 United Steelworkers that in 34 days piled up a \$2 billion loss.

U. S. Steel Corp., which signaled the official end of the walkout by signing a three-year "no strike" contract Friday night, recalled maintenance crews at midnight and promised a "full steam" battle back to top production.

Spokesmen for the country's No. 1 steel producer said U. S. Steel's production comeback would be geared to reach full capacity in from two to three weeks with all 186,000 employees back in the mills. "Open hearth production should be about 75 per cent of total capacity a week hence," a statement from U. S. Steel said. "And by the end of two weeks production should be at 90 per cent."

However, Big Steel said the race toward capacity production after the second week "will be relatively slow."

The end of the walkout was expected to be accompanied by the announcement of price increases in steel by the various firms, possibly as early as next week. Iron Age magazine said the increases probably will be based on industry's contention that the cost of making steel under the new contract will climb from \$12 to \$13 a ton.

## Schedule for Next Week in Kiwanis League

The following is the schedule of games for next week in the Kiwanis baseball league:

Monday—Gibbons vs. Pankey's, 3:30 p. m.; Pirates vs. Raleigh, 5:30 p. m.; Pickford's vs. VFW, 7:30 p. m.

## Legion to Play Corydon Sunday

The Harrisburg Legion baseball team will play the Corydon, Ky., Lions Sunday afternoon at the VFW park here.

Corydon has one of the better clubs in the Tri-State and two weeks ago they beat the Legion, 8-6, on their home field.

Don Stout or Don Wallace will hurl with Romonosky catching for the Legion. Game time will be 2:15.

## Eisenhower Names Dr. Leroy Burney Surgeon General

WASHINGTON (AP) — President Eisenhower today appointed Dr. Leroy E. Burney as the new surgeon general of the Public Health Service.

Burney, now assistant surgeon general was named to succeed Dr. Leonard A. Scheele who resigned July 31 to become a consultant to a pharmaceutical firm.

Burney, whose legal residence is Indianapolis, Ind., is a former health commissioner for the state of Indiana and has been assistant surgeon general since 1954.

His appointment requires Senate approval.

## Third Week of Soapbox Races Will Be Held Sunday on Cherry Street

Third week of the Cherry Hill soapbox races will be held tomorrow afternoon on Cherry street between Walnut and McIlraith.

These races are attracting spectators and are proving thrilling affairs. Boys from 8 to 14 years are racing autos they have made themselves on the roped off streets and prizes are being given to winners.

Last week 13 boys ran their racers in six races and Jimmy Gilliam was the champion.

## Major Tooth Trouble

INDIANAPOLIS (AP) — It was only a loose tooth, but it required major surgery for six-year-old Diane Clear to get rid of it. She swallowed the tooth after it pulled loose and it stuck in her windpipe. She was rushed to Riley hospital in critical condition where a surgeon—instead of a dentist—removed the tooth.

## Five Killed in Flaming Car Crash

FLANDREAU, S. D. (AP) — Five persons were killed and a sixth, the lone survivor, was not expected to live after a flaming head-on auto crash near here Friday night.

The dead were Lawrence Johnson, 61, his son Lyle, 38, and three children Judy Schreier, 3, Laura Schreier, 18 months, and Elaine Bisson, 13.

In critical condition was the father of the two younger girls Harold Schreier, 26.

The mishap was the second severe multiple death traffic accident on Midwest roads within a week. Six persons died as the result of a collision near Wausau, Wis., July 28.

## Report Cook County Banks Aid Paschen Fund

CHICAGO (AP) — The Chicago Sun-Times reported today that banks in which Cook County deposits funds interest-free have been contributing by request to a special fund in the office of County Treasurer Herbert C. Paschen, Democratic candidate for governor.

The newspaper said the fund is administered by the Herbert C. Paschen Employees Assn., a non-profit group. Bankers were quoted as saying the requests for contributions were made by telephone or by Andrew J. Kolar, assistant chief clerk in the treasurer's office.

Kolar was one of three men who formed the non-profit employees' association, the Sun-Times said. It identified the others as John E. Sullivan, former chief deputy to Paschen and treasurer of the Paschen-for-governor campaign, and James A. Roman, Democratic state chairman.

The Sun-Times also reported: 1. The federal grand jury investigating the million-dollar scandal in ex-State Auditor Orville Hodge's office has questioned Sullivan, and subpoenaed John W. F. Smith, until Friday the chief clerk in Paschen's office, and 2. Paschen fired Sullivan and Smith.

Earlier Sullivan said he resigned to avoid embarrassing his boss, but Paschen said he demanded the resignation.

## Legion Calls for Vets' Pensions

CHICAGO (AP) — Delegates to the 38th annual convention of the Illinois Department of the American Legion Friday approved a resolution calling for government pensions of \$100 a month for all veterans from 60 to 65 regardless of need.

The Legionnaires also passed resolutions demanding the United States withdraw from the United Nations if Red China is admitted and calling for reeligibility of the UN to the status of a world forum.

For 11 straight years the rehabilitation committee of the Illinois Legion has rejected the pension bill only to be reversed by the delegates as a whole. This year the committee voted down the proposal 21 to 4.

Former National Commander and ex-state governor John Stelle drew a round of boos when he criticized the failure to include a need clause in the pension bill.

Former State Commander Irving Breakstone said it would cost as much for an agency to determine the need as the plan itself.

## Narcotics Agent to Be Stationed at Springfield

WASHINGTON (AP) — Sen. Everett M. Dirksen (R-Ill.) said today the Federal Bureau of Narcotics will station an agent at Springfield, Ill., to handle problems arising in an area including Peoria and the southern part of the state.

## Radford Promises Japan U. S. Will Aid New Weapons

TOKYO (AP) — Admiral Arthur W. Radford told Japanese defense officials today the United States will encourage the development of new weapons in Japan and will help her build a balanced defense force.

The chairman of the U. S. Joint Chiefs of Staff conferred for an hour with Japan's Defense Director Naka Funada before boarding a U. S.-bound plane. Radford will stop off in Honolulu on the way home.

Radford warned that Japan should "carefully consider" any move toward reducing the strength of her self-defense force. He said that although other nations of the world have been talking about arms reductions Japan should "progress modestly" in the buildup of her forces.

The admiral said Japan will "have to settle for herself what she will need for a balanced force," but added that "no reduction of forces should be considered lightly."

## Stratton Says Bids Approved for Three New Armories

SPRINGFIELD (AP) — Gov. William G. Stratton announced today bids have been approved for construction of new National Guard armories at Litchfield, West Frankfort and Effingham, and contracts will be awarded next week.

Stratton said new bids will be asked for general construction work on another new armory at Freeport. Contracts for this armory should be awarded within 30 days, he said.

Stratton indicated cost of the four armories will exceed the \$230,000 each originally planned.
